Rocky Bleier Field on the Knights of Columbus Sports Complex dedicated: Oct. 12, 2007

Xavier's home football field was dedicated in honor of Rocky Bleier on Oct. 12, 2007. A 1964 graduate of Xavier, Bleier went on to play at the University of Notre Dame and then for 12 seasons with the Pittsburgh Steelers.

After winning a national championship at Notre Dame, he recovered from severe injuries in the Vietnam War to earn a spot as a starter on the first team to win four Super Bowls – which the Steelers accomplished during a 6-year span... 1975, '76, '79 and '80.

Rocky Bleier Field

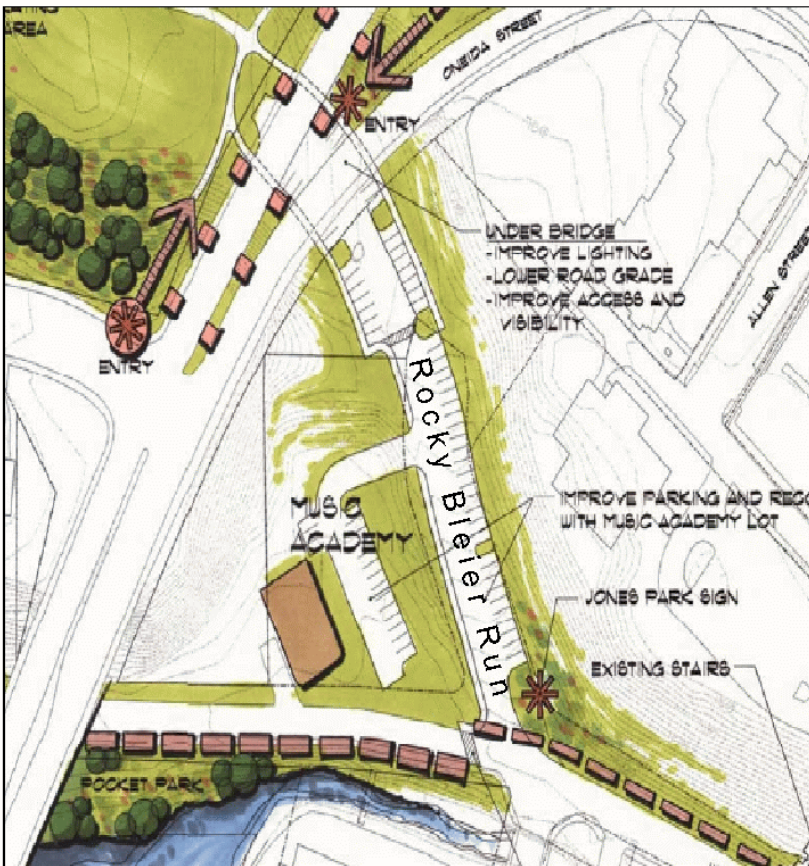

Rocky Bleier Field at Xavier was dedicated Friday night, Oct. 12, 2007 in a special ceremony prior to the XHS football game at the Knights of Columbus Sports Complex behind XHS. The gate was manufactured by Metalist Laserfab of Oshkosh as a gift to Xavier High School. Note how there are 23 spindles at the bottom of the gates, the same number as Rocky's football jersey number for the Hawks when he played for Coach Gene 'Torchy' Clark. Below, the Fox Valley Vietnam Veterans Honor Guard presents the colors and the Knights of Columbus Honor Guard awaits to escort Rocky & the dignitaries into the facility for the dedication ceremony.

Rocky, captains & game officials meet before the game for the coin toss.

Rocky Bleier, left, and Tim Hanna, the mayor of the City of Appleton, during a ceremony on Saturday morning, Oct. 13, 2007, when the City of Appleton dedicated Rocky Bleier Run. The street is near Jones Park in downtown Appleton, close to where Bleier grew up back in the 1950's and 60's. He used to run the steps and hills of the park as part of his athletic training and then his rehab from injuries suffered in 1969 during the Vietnam War.

Rocky Bleier Run

This is an artist's drawing of what the City of Appleton will create in the area of Jones Park in downtown Appleton as part of Rocky Bleier Run.

The entire plan includes making the area a gateway from downtown through Jones Park to the city's new Waterfront Riverwalk.

FACILITY TID-BITS - ROCKY MAKEOVER

Rocky Bleier Field on the Knights of Columbus Sports Complex

Xavier Football

The former Knights of Columbus Athletic Field at Xavier has undergone a major makeover, and there now is a new name for the Hawks' home turf. The facility received:

1. a new grass playing surface,

Aerial view, 2005

2. a new 8-lane running track which has a top-of-the line rubberized surface,

3. a new 4-foot high permanent fence entirely around the outside lane of the track,

4. new & huge aluminum bleachers -- with fully-enclosed, increased seating and a specially designed sight-line... which enables spectators to better see all of the lanes for a track meet when runners go in front of the seating area, plus it gives significantly better visibility for the football field,

5. new, much larger 2-level press box to accommodate news media and coaches,

6. new, double-wide runway for the jumping events & pole vault,

7. new, larger high jump area,

8. new, handicap access ramp and wheelchair seating areas in the bleachers,

9. new, pro-model 30-foot-high, arched football goal posts, with an 8-foot offset,

10. new underground, automatic watering system and drainage tile,

11. new main ticket entrance area, spectator walkway and engraved brick area,

12. new, larger scoreboard – in memory of the late Bradley Williams, the Xavier football player who in September, 2005 collapsed and died on the XHS football practice field from a congenital heart problem completely unrelated to football,

13. new, brick concession stand with storage & restrooms, and,

14. new, 485-foot deep well to pump water from an underground river deep below the game field. It enables water to be put on all of the athletic fields at Xavier without expensive city water.

Most of the work was done in 2004, when Xavier played its home games at the St. Joseph Middle School field in Appleton. The huge KofC field project was spearheaded by the Xavier Booster Club, which also recently helped with the installation of 4 new tennis courts on the St. Joe's grounds as well as a complete renovation of the Xavier football practice field, located adjacent to the game field. Considerable work has been headed by the XBC since that major makeover.

PROFILE

Xavier Coach David Hinkens ♣ 2014 Football Season

- 2014 = 14th season as head football coach at Xavier.
- He is only the 10th head varsity football coach in school history, as XHS begins its 55th season of Xavier Football. Hinkens is the first to coach a Hawk team in the WIAA Football Playoffs. He has coached Xavier in the Playoffs during 11 of the past 12 seasons – his first XHS team missed out of the Playoffs via an obscure, since-eliminated tiebreaker.

And, 2012 was the first time XHS did not qualify for the Playoffs after 10 straight appearances.

▼ Six of the Xavier teams coached by Hinkens won a conference championship (2011, '10, '09, '05, '04, '02) and 3 times his Hawks finished just one game out of the top spot in league play while taking second in '06 and '13, and third in '07. Eleven of his 12 previous Xavier squads never had more than 3 losses in a regular season. All of the losses in 2008 were to eventual Playoff teams, including 2 to eventual state champs. The 2010 team was his second team to go undefeated in a regular season and his third one to win the conference crown with an unbeaten record. That team was also the second team coached by Hinkens to make it to Level 4 of the Playoffs, one game shy of the WIAA State championship game in Madison; that was a feat his XHS team duplicated in 2013 when Hinkens coached the Hawks for the third time in a Level 4 game.

▼ Hinkens is now the all-time leader in career football coaching wins at XHS. With a 2009 Playoff win on the Hawks' home turf, Hinkens surpassed the late Gene 'Torchy' Clark, the first football coach at Xavier. Clark, in his 9 seasons (from 1960-1968), had a record of 69-9-2. Hinkens recorded his 70th win in that Level 1 WIAA post-season game on 10-27-09 against Oconto, in his 9th season at the Hawks' helm.

▼ Hinkens previously was an assistant coach at Kaukauna High School for 10 years... under his dad, Glen Hinkens. His father, affectionately called Grandpa Glen, was an assistant coach for years for the Hawks. In 2000, David was an assistant coach at Lawrence University in Appleton under Dave Brown.

▼ A 1984 graduate of Kaukauna High School, Hinkens is employed for an athletic information and technology company called **Hudl**. He is a Territory Manager – covering the states of Wisconsin, Minnesota and Iowa. David and his wife, Julie, have two sons... Drew, 17, and Darren, 15. They live in Darboy, just east of Appleton.

▼ A 1988 graduate of UW-Oshkosh, Hinkens was an assistant for the 1992 Kaukauna football team which finished as the state runners-up in the WIAA Championship Game at Camp Randall Stadium in Madison. He also was an assistant basketball coach at Kaukauna High School when the Ghosts won their first Fox Valley Association basketball title in their school history.

XAVIER HIGH SCHOOL – PROFILE

Xavier High School in Appleton is a four year high school based on Catholic Christian values. It is dedicated to preparing its students for life's challenges through high academic standards where growth is encouraged and promoted – growth in academics, in athletics, in the arts, and in school spirit. Both Catholic and non-Catholic students are welcomed members of the Xavier Community. The school is a member of the Xavier Catholic School System, formerly called ACES Xavier Educational System until January, 2013.

The school's mission statement is to create for its students a Catholic Christian community in which students, faculty, staff and parents may together foster a faith relationship with God, show a loving concern for neighbor, develop individual talents, strive for academic excellence in a world of ever-changing technology and nurture a sense of personal dignity. Our mission empowers and energizes this faith community to serve the Fox Valley area, to acquire a global vision and to challenge society with the values of Jesus Christ.

ACADEMICS

At Xavier, students foster a faith relationship with God, develop their own talents, strive for academic excellence, develop the power of critical thinking, and discover career interests.

A teaching staff of highly qualified, dedicated educators is one of Xavier's real strengths. With a student-teacher ratio of 21 to 1, each student is guaranteed a high degree of individual attention. The faculty includes a Campus Minister and a Learning Specialist.

Typically, 95% of Xavier's graduates attend four-year colleges, and more than 99% will pursue some type of post-secondary education. College and university scholarships for Xavier's graduating classes vary, usually about \$1.6 million.

The enrollment at Xavier High School for the school year is just over 590 students.

FINE ARTS CENTER

Opened in September of 1998, the Xavier Fine Arts Center is a truly wonderful facility designed for both performances and education.

It includes a 749-seat, state-of-the-art theatre with an orchestra pit and a full fly loft, dressing

rooms, scene shop, a multi-purpose room and an instructional area. The facility near the gym houses 'new' band and choir rooms, music practice rooms, offices and an art room.

ATHLETIC DEPT.

Interscholastic athletics provide a unique teaching and learning opportunity. In this setting, individual and group experiences occur which are difficult to duplicate in other educational settings.

Three elements we strive to have as part of every athletic team at Xavier are success, growth and participation:

- Success in that each and every time a student competes in athletics, he/she strives to win.
- Growth whereby practices and all aspects of the program are developed so that fundamentals and skill level are improved, and values such as sportsmanship, character and leadership are stressed.
- Participation so that all athletes feel a part of the team and are given an opportunity to participate to the best of their ability, based on the decision of the head coach.

- **Home Field: Rocky Bleier Field on the Knights of Columbus Sports Complex – behind Xavier H.S.**
 The facility was renamed in a special ceremony on Oct. 12, 2007. Rocky is a 1964 graduate of XHS. A major renovation project took place in 2004 at the Hawks' regular home field. Work included a new playing surface, bleachers, 2-level press box, underground watering system, drain tile, goal posts, and rubberized track.
- **In 2007, Xavier played for the first time in the Eastern Valley Conference:**
 now 9 Teams: Xavier, Berlin, Clintonville, Fox Valley Lutheran, Freedom, Little Chute, Ripon, Waupaca and Winneconne.
- **In 2013, 9-game regular season... after 8-game max in 2012:**
 Last year, the WIAA 'returned' to a 9-game regular season maximum after an 8-game max in 2012 because of the early start to the 2012 season. The WIAA eliminated the 3-games-in-10-days scenario in the Playoffs.
- **In 2014, the final season of Xavier in the Eastern Valley Conference:**
 Starting in the 2014-15 school year, the WIAA has determined that Xavier will be moved to a newly-revamped Bay Conference. The new-look 9-team Bay Conference for **football** only, as outlined by the WIAA, includes Xavier, Green Bay East, Green Bay West, Menasha, New London, Seymour, Shawano, Waupaca and West De Pere.
 For all other sports, the WIAA placed Xavier in an 8-team Bay with the same schools listed above, minus Waupaca.

TID-BITS – Freedom - Xavier

2014 Football • 7:05 p.m. Friday, Oct. 3

at Rocky Bleier Field on the Knights of Columbus Sports Complex – at Xavier

- ① Friday's game is the 17th time the two teams will meet in varsity football. Xavier owns a 13-3 advantage in the all-time series, which started in 1999 when the Hawks and Freedom joined the now-defunct Valley 8 Conference.
- ② The Hawks have won 12 times in the past 13 games against Freedom, including a Level 2 WIAA Playoff game at Freedom in 2004. After two wins by Freedom in the first three games of the series, Xavier then won 11 straight times, and the teams split in the two most recent meetings.
- ③ This year is the 8th and final get-together for the two schools as part of the Eastern Valley Conference – which started in 2007. The WIAA determined that Xavier would join the Bay Conference starting in the 2015-2016 school year. See the EVC Standings-Scores-Schedule page in this Info Pack for a list of teams that will be in the new-look Bay Conference.
- ④ This year's game is the 3rd time that the two coaches will match wits against one another. Freedom Coach Clint Kriewaldt is in his 3rd year as the head coach of the Irish, while David Hinkens is in his 14th year as head mentor at Xavier.
- ⑤ The week 7 game will have lot of media coverage, with live TV on Time Warner Cable SportsChannel, live webstream by The Post-Crescent, and radio broadcast by WSCO 95.3 fm in Appleton. It is the third live TV broadcast so far this season on a football game involving the Hawks, and 4th time XHS will be on TV to date in 2014.
- ⑥ The Scarlet Guard of American Legion Post 38 in Appleton will present the colors at the 50-yard line prior to the start of the game.
- ⑦ Levi O'Brien of XHS became the all-time leader in receiving yards for Xavier Football when earlier this 2014 season he passed Lee Weiland, a 2006 Xavier grad who had 1,839 receiving yards in his prep career. Thru 6 games in 2014, O'Brien has 2,039 yards receiving. Matt Kinderman, also of Xavier, is moving closer to taking over 2nd place, as he has 1,801 yards through game 6. O'Brien and Kinderman are both seniors.
